Letter from the President

PRESIDENT'S PEN or in this case...keystrokes

It is my pleasure to welcome new and returning members.

WHEN the French aristocrat Baron Pierre de Coubertin restarted the Olympics in 1896, the motto he chose was "Citius, Altius, Fortius". Latin words for Swifter, Higher, Stronger.

This motto is appropriate for FOP as we begin the new year. With well over 19,000 residents in Perrysburg and thanks to the editors of *Ohio Magazine* who chose Perrysburg as one of Ohio's Best Hometowns for 2009, we truly should be very excited to live in Perrysburg and be a part of this great community.

I've been reading Friends of Perrysburg's history over the summer. I found that Friends of Perrysburg has been making a difference since 1980. In reading, I wanted to understand where we came from, how we evolved, and give me the vision to see where we need to go next.

It is evident that we should be proud of what Friends of Perrysburg members have accomplished and share that with our community.
